

ABOUT COMPANY

Finetech Construction Co. We continue to alter the structural landscape through several other prestigious projects in the residential, commercial, Institutional and industrial space as well.

Since inception in 1999, Finetech construction has steadily attained substantial growth and value creation for its stakeholders. Our success relies on our young, passionate and dedicated team of qualified and experienced engineers, supervisors, technicians and administrative staff. Their expertise enables quick flow of knowledge and efficient decision making throughout the organization.

We believe in exceeding clients expectations by achieving benchmarks for transparency, reliability and integrity. A commitment to sustainable development, safety and environment protection forms the genesis of our culture.

Our clients value our dedication towards quality, timely deliveries, superior customer service and the experience of engaging in business with a highly qualified and experienced team.
